**Cigna** is a Fortune 500 US headquartered company with 41,000 employees worldwide.

With almost 60 years of experience on the continent and a regional office in Nairobi, Cigna is no stranger to Africa. Recognised as one of the world's leading providers of health benefits and related services, Cigna is dedicated to helping people improve their health, wellbeing and sense of security.

## JWS Safari Health Plan highlights

- **Range of cover options**

So we can tailor the cover that's right for you, your employees and your business

- **Cigna mobile app and personal web pages**

Giving you access to all the essentials of your plan, anywhere, anytime

- **Worldwide network of hospitals**

With access to almost 2,000 directly contracted health care providers in Africa and more than 1,000,000 health care providers worldwide you have the flexibility to choose when and where you receive treatment

- **24/7 claims management helpline**

If you need help, advice or treatment authorisation, the claims helpline is supported by a team of medical specialists, giving you round-the-clock reassurance

- **Direct settlement of bills**

When you use a network provider, your in-patient and out-patient bills can be paid directly, so instead of worrying about paperwork, you can focus on getting better

- **Health and wellbeing programmes**

Including online health assessments, chronic condition management and an international employee assistance programme, all designed to help you, your family and your employees lead a healthy, happy and well-balanced life

- **Second medical opinion**

For extra reassurance and peace of mind about a diagnosis and treatment

- **Global coverage – locally admitted**

JWS Safari Health Plan is fully compliant with the regulations of each country we operate in including Kenya, Tanzania and Uganda
